

## 4 Square – Total 14

- Skim through the reading section in the book.
- Come up with 4 broad categories by looking at the headings and pictures.
- Write the titles at the top of each box. (2 points)
- Read the section and write notes from each topic in the box below.
- After you have taken your notes, discuss it with another student or an adult and fill in other information you missed.
- After talking about it with someone, write a summary of the section that has the information you wrote in each box.
- You should have at least one paragraph per box. (3 points each paragraph)

Section \_\_\_\_\_ - \_\_\_\_\_
