

Day One: Choose one question to answer. Use support from the movie.

1. In the beginning of the movie Lorenzo is acting out if you were Lorenzo's parents how would you have handled this situation? Would you have handled it like the Odone's? Why or Why not?

2. What would you do if your son was diagnosed with such a debilitating illness when you knew the outcome? Why?

3. If you were a carrier for ALD, would you have a child? Would it make a difference if you knew it was a girl or a boy? Should you be prevented from having a child by law?
